Summer, 2009

Dear AFS Supporter:

The Northeast Indiana Chapter of the American Foundry Society cordially invites you to support your local AFS chapter by sponsoring multiple events for the 2009/2010 year including the Golf Outing, Newsletter, Website and Ladies Night.

Normally three times a year we solicit you for donations.

This year in consideration of the times and to allow you to budget your advertisement and sponsorship dollars we would like to ask you just once for your support; at a discount.

- Our newsletter is published during the AFS season (September - May) and is seen by the Northeast Indiana chapter members and supporters. This is an excellent opportunity to show your support for foundry education/research and gain valuable recognition for you and your company in the Northeast Indiana Foundry Market.
 - A business card size advertisement is \$150.00 (Other options are available)
- Our Annual Golf Outing is our one of our main events of the year. The outing will be held August 15th at Noble Hawk Golf Links in Kendallville, Indiana. The chapter counts on generous donations, from both companies, and individuals, who make their living in the foundry industry, to offset the costs of this, our primary scholarship fundraiser. By sending in your cash donation, we will be better able, to not only, host a great outing, but also provide more, and larger, scholarships to the youth in our industry, and our future.
 - A Hole Sponsor Sign is \$150.00
- Our “Ladies Night” is always a success. It is the one AFS evening through the year where you and your spouse/friend can relax and have fun with your friends and associates.
 - We normally ask for a \$150.00 door prize donation; but accept any amount.
- Our Website provides access to local, regional, and national AFS information via our website. Please visit the Northeast Indiana American Foundry Society Website:
<http://www.afsnein.org>
 - All Newsletter sponsors are listed for free on our Sponsor Page.
 - For \$150.00 your logo is show on the first page as a Feature Link.

Please note, To be included in the first newsletter; your donation and artwork must be received by August 8th, 2009

Please see the attached Sponsor Request Form.

Thank you for your support of the AFS Northeast Indiana Chapter

Sincerely,

Bob Corn
