## 2009 AFS GOLF OUTING

Foundry personnel, Suppliers, and Friends

The Northeast Indiana Chapter AFS has scheduled one of the main events for the year, our Annual Golf Outing. The outing will be held August 15<sup>th</sup> at Noble Hawk Golf Links in Kendallville, Indiana.

The chapter counts on generous donations, from both companies, and individuals, who make their living in the foundry industry, to offset the costs of this, our primary fundraiser. By sending in your cash donation, we will be better able, to not only, host a great outing, but also provide more, and larger, scholarships to the youth in our industry, and our future.

In addition to donations, we will again be offering 'Hole' sponsorships for \$150.00 per hole. This will put your company's name on the sign displayed on the tee boxes. This is advertising that will reach multiple people in the foundry industry from various backgrounds.

Please make checks payable to: AFS Northeast Indiana Chapter
