Foundry Personnel, Suppliers, and Friends

As 2010 quickly arrives, we find ourselves looking forward to our annual Ladies Night Dinner/Dance.

This year's event will be held at the Marriott Hotel in Ft. Wayne, Indiana on February 13, 2010.

Much of the success of this event is attributed to the generous donations received from companies and friends of the A.F.S. In addition, we hope this year's Ladies Night Dinner is successful given the tough times we face. It is our intention to bring in the year 2010 by giving away prizes via the drawing throughout the evening.

We would appreciate your generosity in contribution once again to our function. The companies and individuals that contribute will be recognized at the event and at the following A.F.S. meeting.

Please make checks payable to: AFS Northeast Indiana Chapter
